At the bottom of this screen, you can choose to click **Add to Saved Schedule** to add individual courses to your saved schedule.

To create a saved schedule you can add courses individually to the saved schedule from the course listings screen. Or as of May 2026, once you have created a saved schedule for an upcoming term, you can build the rest of the saved schedule from the saved schedule page directly (see separate instructions).

When your registration window opens you can register directly from the saved schedule.
