Bachelor of Graphic Design and Media Arts concentration in 3D Modeling & UI/UX Design   **2025**

Southern New Hampshire University

EXPERIENCE

Nanny | The Katzenberg | Nov 2016 - Dec 2022

Over the years of working with the Katzenberg's my responsibility was for two chiildren. Supervision included daily care, such as meal prep, educational activities, and playdates.

Nanny | The Boyer Family | Sept 2015 - Nov 2016

Working with the Boyer family I took care of a four month old baby boy. Responsibilities included but not limited to meal prep, supervising and maintain care for the child, and planning social activities.

Nanny | The Feldman Family | Sept 2013 - Nov 2015

My time spent with the Feldman family included caring for two boys, ages 18 months and five years old where the responsibilities included school pick up, planning and organizing age appropriate activites.

Nanny | The Guggenheim Family | Nov 2013 - June June 2014

Working with the Guggengeim family involved caring for a six month old baby girl. Daily activities included open communication with parents, creating a daily log of activites, and caring for child's emotional comfort.
