:

PENNSYLVANIA STATE UNIVERSITY :
:

ORDER AND NOTICE OF ELECTION

A Petition for Representation was filed with the Pennsylvania Labor Relations Board (Board) on December 4, 2024, by the Coalition of Graduate Employees, International Union, United Automobile, Aerospace and Agricultural Implement Workers of America (CGE-UAW at Penn State) (Petitioner) alleging that it represented thirty (30) percent or more of certain graduate student employees of Pennsylvania State University (Employer or Penn State), and requesting that a hearing be scheduled and an Order be issued for an election to determine the exclusive collective bargaining representative, if any, pursuant to the provisions of Section 603 of the Public Employee Relations Act (Act).

On January 8, 2025, the Secretary of the Board issued an Order and Notice of Hearing, assigning the matter to a telephone pre-hearing conference and designating February 13, 2025 via teleconference, as the time and place of hearing, if necessary. The pre-hearing conference did not resolve the matters in dispute and the hearing was necessary. The Hearing was continued by the Board's Hearing Examiner to a series of days of June 2,3,4,5 and 6, 2025 in State College. The Hearings were held on those days, at which time all parties in interest were afforded a full opportunity to present testimony, cross-examine witnesses and introduce documentary evidence. On June 20, 2025, letter briefs were filed by the Petitioner and the Employer. On June 25, 2025, the Board issued a subpoena to the Employer for an alphabetized list of employees on the payroll immediately prior to the filing date of the petition to include all employees in the unit suggested as appropriate in the petition. On July 21, 2025, the Employer filed a Motion to Partially Quash Subpoena. Post hearing briefs were filed by the Petitioner and the Employer on July 25, 2025. On July 29, 2025, the Hearing Examiner issued an Order Denying University's Motion to Partially Squash Subpoena Duces Tecum. On July 29, 2025, the Employer filed a letter including a list of current employees of the Employer. On August 8, 2025, the Employer filed a Reply Brief. On August 8, 2025, the Petitioner filed its Reply to the Employer's post hearing brief.

On August 18, 2025, the Hearing Examiner issued an Order Directing Submission of Eligibility List (ODSEL) resolving all outstanding issues and finding that the unit appropriate for the purpose of collective bargaining is a subdivision of the employer unit comprised of all full-time and regular part-time professional employees of the University who are graduate students on graduate assistantship and who perform services as teaching assistants, research assistants, or administrative support assistants; and excluding graduate students on fellowship, traineeship, management level employees,

supervisors, first level supervisors, confidential employees and guards as defined in the Act. On August 22, 2025, the Employer filed a Request for Extended Time to file employee list. On September 30, 2025, the Employer filed a Motion to Partially Squash Subpoena. On October 1, 2025, the Hearing Examiner issued an Order Denying University's Motion to Partially Squash Subpoena Duces Tecum.

FINDINGS OF FACT

That FINDINGS OF FACT numbers 1 through 142 inclusive, as set forth in the Order Directing Submission of Eligibility List, are affirmed and incorporated by reference herein and made a part thereof.

143. That the employees on the payroll who fall within the aforesaid appropriate unit and are eligible to vote at the election are those employees whose names appear as listed on the attached eligibility list.¹

DISCUSSION

The Employer has graduate student employees in this unit working at several campuses: Penn State University Park, Penn State College of Medicine in Hershey, Penn State Harrisburg in Middletown, Penn State Great Valley in Malvern and Penn State Behrend in Erie. Accordingly, the attached eligibility list is subdivided into lists based upon the campus at which individual employees work.

The Board will conduct voting on-site at two campuses where the vast majority of the graduate student employees work: Penn State University Park and Penn State College of Medicine. For the small number of graduate student employees who work at Penn State Great Valley, Penn State Harrisburg and Penn State Behrend, voting will be by mail ballot only. Employees who work at campuses other than Penn State Great Valley, Penn State Harrisburg and Penn State Behrend, may not vote by mail ballot.²

For graduate student employees who work at Penn State University Park and Penn State College of Medicine, the campus at which they work is their voting site.

¹ Employees in the defined unit who are on the payroll immediately preceding the date of issuance of this order of election, or hired and placed on the Employer's payroll after the date of issuance of the election order, and whose names do not appear on the attached eligibility list, shall be eligible to vote in the election. 34 Pa. Code § 95.54(a); Catchment Area 094 Corporation, 9 PPER ¶ 9143 (Order Directing Canvassing of Challenged Ballots, 1978); Bucks County I.U. No. 22 v. PLRB, 466 A.2d 262 (Pa. Cmwlth. 1983). They may request a ballot, which ballot when cast shall be challenged by the Board's election officer since their names do not appear on the eligibility list. 34 Pa. Code § 95.55(a). In the event such ballots may affect the outcome of the election, the Board Representative shall direct a hearing on the challenges to determine which, if any, of the challenged ballots may be opened and canvassed.

² The Board's Rules and Regulations do not provide for filing of absentee ballots. See Stroud Township, 19 PPER ¶ 19157 (Final Order, 1988).

CONCLUSIONS

That CONCLUSIONS numbers 1 through 7 inclusive, as set forth in the aforesaid Order Directing Submission of Eligibility List, are incorporated herein by reference and made a part hereof.

8. That the unit appropriate for the purpose of collective bargaining is a subdivision of the employer unit including all full-time and regular part-time professional employes of the University who are graduate students on graduate assistantship and who perform services as teaching assistants, research assistants, or administrative support assistants; and excluding graduate students on fellowship, traineeship, management level employes, supervisors, first level supervisors, confidential employes and guards as defined in the Act.
