National Anthem

by Francis Scott Key

O say, can you see, by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming;
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air
Gave proof thro' the night that our flag was still there.
O say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave!

Alma Mater

by Fred Lewis Pattee

For the glory of old State,
For her founders, strong and great,
For the future that we wait,
Raise the song, raise the song,

Sing our love and loyalty,
Sing our hopes that, bright and free,
Rest, O Mother dear, with thee.
All with thee, all with thee.

When we stood at childhood's gate,
Shapeless in the hands of fate,
Thou didst mold us, dear old State,
Dear old State, dear old State.

May no act of ours bring shame
To one heart that loves thy name,
May our lives but swell thy fame,
Dear old State, dear old State!

COLLEGE OF ENGINEERING COMMENCEMENT

Spring 2026 Baccalaureate Degrees

PROGRAM NOTES

The bachelor of science degree is conferred after the satisfactory completion of eight semesters of study. The bachelor of architectural engineering degree requires ten semesters of study.

Students who have satisfactorily completed the advanced course in military, naval, or air science may be granted commissions upon graduation. Military and air science graduates are commissioned as second lieutenants; naval science graduates may be commissioned as ensigns in the U.S. Navy or second lieutenants in the U.S. Marine Corps.

HONORS GROUP: This group comprises those students who have completed the required number of credits at the University and who are in the top 12 percent of their graduating class in their college. The 12 percent is divided into 2 percent “Summa Cum Laude,” 4 percent “Magna Cum Laude,” and 6 percent “Cum Laude.” Honors are noted with asterisks (* = Cum Laude; ** = Magna Cum Laude; *** = Summa Cum Laude). This list was produced on February 25, 2026, as an unofficial list of graduating students earning honors.

STUDENT MARSHALS: College of Engineering student marshals are chosen on the basis of their outstanding academic achievements and contributions to engineering student life.

ABOUT OUR COMMENCEMENT SPEAKER

EILEEN SUPKO

PRESIDENT, ENERGY RESOURCES INTERNATIONAL

Eileen Supko is president of Energy Resources International, where she specializes in nuclear fuel management and radioactive materials transport. She provides expert analysis on technical, economic,

regulatory, and policy issues related to the nuclear fuel cycle for utilities, governments, industry organizations, and private companies.

A 1985 graduate of Penn State with a degree in nuclear engineering, Supko began her career at Carolina Power & Light as an engineer, responsible for nuclear fuel management.

She serves as the principal representative in North America for the World Nuclear Transport Institute. Supko authored handbooks on spent fuel storage and transport on behalf of the Electric Power Research Institute. Supko frequently testifies as an expert witness in litigation before the U.S. Court of Federal

Claims and in nuclear fuel contract disputes and contributes to national and international policy discussion regarding nuclear fuel and nuclear waste management.

Supko received the Outstanding Engineering Alumni Award in 2009 and was named a Penn State Alumni Fellow in 2025. In 2013, she and her husband, Brian O'Connell, established the endowed "Nuclear Engineering Alumni Fund for Excellence." Currently, Supko serves on the College of Engineering's Campaign Committee.

She is a founding member of the Penn State Nuclear Engineering Society, and serves as a member of the American Nuclear Society, U.S. Women in Nuclear, Women's Council on Energy and the Environment, and the Ukraine Action Network. She supports organizations which provide aid to Ukraine and Ukrainians.

Supko is a life member of the Penn State Alumni Association and lives in Fairfax, Virginia with her husband.
