EXPERIENCE

Lifeguard and Swim Lesson Instructor
University of Arkansas Recreation Center | Fayetteville, Arkansas

February 2023 – Present

- Identified individual learning needs and developed customized lesson plans for private, semi-private, and large group swim lessons, catering to diverse skill levels and learning styles, resulting in improved swimming proficiency and increased participant confidence in the water.
- Assisted participants with inquiries and concerns regarding the facility, providing timely and accurate information to create a positive swimmer experience.
- Actively supervised swimmers in the water to promote patron safety.
- Maintained a clean and safe facility by adhering to a printed checklist of cleaning and maintenance procedures, contributing to a positive and healthy environment for all.

Research Assistant
Arkansas' Stress, Cognition, and Affective Neuroscience Lab | Fayetteville, Arkansas

August 2023 – May 2025

- Identify and document procedural issues in data collection using a shared spreadsheet, ensuring timely and consistent study execution and improving data consistency for subsequent research assistants.
- Maintain the integrity of biological samples by promptly transporting and correctly storing saliva samples in designated freezer locations, preserving sample integrity for accurate analysis and reliable research outcomes.
- Assist with participant management by granting study credit and utilizing strong interpersonal skills to escort participants through the research process, ensuring a positive and organized research environment.
- Ensure study protocol adherence by meticulously following written procedures for each participant, promoting data consistency and minimizing experimental variability, which led to more reliable research findings.
- Review and uphold ethical research practices, prioritizing participant well-being by clearly communicating their right to withdraw and addressing any concerns to maintain ethical standards.

Cashier and Fuel Dock Attendant
Mimosa Beach Marina | Climax Springs, Missouri | Seasonal

May 2024 – August 2024

- Executed gas dock operations, accurately recording slip numbers, gas prices, gallons pumped, and tip amounts communicated via radio to ensure accurate daily sales tracking and efficient billing.
- Successfully managed incoming deliveries, updating inventory to facilitate efficient reordering processes.
- Provided excellent customer service by greeting customers, assisting with product location, and processing transactions efficiently, contributing to positive customer interactions.

Hostess
The Highlander Public House | Camdenton, Missouri | Seasonal

May 2024 – August 2024

- Prioritized customer and staff satisfaction by promptly addressing concerns and resolving issues effectively
- Facilitated communication between customers and staff in order to provide optimal, satisfactory solutions
- Managed the flow of customers within a busy restaurant environment, coordinating seating arrangements based on server rotation and party size.

VOLUNTEER EXPERIENCE

- Active in community service, including work with Potter's House Thrift Store, the Brandon Burlsworth Foundation, Delta Gamma's Service for Sight mission, and a mission trip to Liberia, Costa Rica.
