COMMENCEMENT KEYNOTE SPEAKER

KIRK CAMERON

Actor

Kirk Cameron has been part of the national landscape ever since he played Mike Seaver on ABC's hit sitcom, "Growing Pains." That role turned him into a cultural icon in the 80's, with his mullet hairstyle, cool sunglasses and wisecracking comebacks. Since then, he's appeared in numerous television and movie productions including "Left Behind," "Monumental" and "Fireproof," the marriage-centered film that became the #1 grossing inspirational movie of 2008. His newest film, "Connect," released in 2018, centers around parenting in a social media obsessed world.

In the fall of 2016 and 2017, Kirk hosted Fathom Events' show "Revive Us" which urged the family of faith to return to the biblical principles that bring blessing and protection to our country. These shows took place in over 750 theaters across the country and were attended by over 200,000 people. Now, he is speaking live to 30 churches per year as part of the "Living Room Reset" marriage and parenting conference.

Kirk and his wife Chelsea met on the set of "Growing Pains" and have been married for over 26 years. Together they have six teenage children and host an all-expenses-paid summer camp for terminally ill children and their families called Camp Firefly.

SPECIAL MUSIC

CRITICAL MASS

Vocal ensemble, Critical Mass, is a traveling ministry team that represents the music department, the College of Fine Arts and Production and Grand Canyon University. Members are selected through an annual audition open to all music majors. They perform a wide variety of all a cappella music. The ensemble performs on campus and is on the road throughout the year representing GCU at churches, schools, special events and other venues throughout Arizona.

HONOR/AWARD DESCRIPTIONS

LATIN HONOR DISTINCTIONS

*Cum Laude,
Magna Cum Laude,
Summa Cum Laude*

Undergraduates completing 60 or more hours of resident work at Grand Canyon University and having a grade-point average (GPA) of 3.4 or higher for all course work completed at GCU, may qualify to receive recognition: Cum Laude, Magna Cum Laude or Summa Cum Laude. Undergraduate students who qualified have been awarded gold "honor cords" to be worn during the commencement ceremony.

University Honors Distinction

Undergraduate students who have earned less than 60 credits of resident work at GCU and have a GPA of 3.5

or higher for all coursework completed at GCU may qualify to receive the recognition of University Honors. Undergraduate students who qualified have been awarded silver "honor cords" to be worn during the commencement ceremony.

Ray-Maben Scholars

This recognition represents the highest scholarship honor awarded by GCU. Criteria are established by the faculty and the honor is bestowed each year at graduation. The required criteria consists of a cumulative and GCU GPA of at least 3.9, with no more than 12 transferable hours. Undergraduate students who qualified have been awarded gold "honor cords" to be worn during the commencement ceremony.

An undergraduate student's GPA on August 19, 2019, determines eligibility for honor cords and recognition at the commencement ceremony. The honors distinction reflected at the completion of a student's degree program may vary based on the grades posted to the student's record after August 19, 2019. We strive to have the most current GPA data on the day of the commencement ceremony to recognize honor cord distinctions.

Transfer students may not graduate with an honor higher than that to which their GPA at GCU would qualify them. Second degree and Graduate students are not eligible for honors.

SPECIAL THANKS

The colleges would like to acknowledge all faculty for their dedication and expertise in enabling our students to excel as effective future leaders.

We'd like to say thank you to everyone who contributed, volunteered and assisted with the commencement ceremonies. Your hard work and support is greatly appreciated!

DOCTRINAL STATEMENT

WE BELIEVE the Bible, in the Old and New Testament Scriptures to be inspired, the only infallible, true and authoritative Word of God.

WE BELIEVE that there is one God, eternally existent in three persons: Father, Son and Holy Spirit. We believe in God the Father, the Almighty, maker of heaven and Earth, of all that is, seen and unseen.

WE BELIEVE in the deity of our Lord Jesus Christ, the only Son of God. For us and for our salvation He came down from heaven, was incarnate of the Holy Spirit and the Virgin Mary and became truly human. Being fully God and perfect man He performed miracles and lived a sinless life.

WE BELIEVE Jesus Christ suffered a vicarious and atoning death through the shedding of His blood. He was buried and on the third day was resurrected in His body; after which He ascended to be seated at the right hand of the Father. He will come again in glory to judge the living and the dead, and His kingdom will have no end.

WE BELIEVE that mankind was originally created in the image and likeness of God and free from sin. Through the temptation of Satan, they transgressed the command of God and fell from their original righteousness, whereby all people have inherited a sinful nature that is opposed to God, and are thus under condemnation. As soon as they are capable of moral action, they become actual transgressors.

WE BELIEVE that for salvation of lost and sinful people, the regeneration by the Holy Spirit is absolutely essential. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. We believe that the Holy Spirit is fully God and is worshipped and glorified with the Father and Son. He divinely inspired the scriptures, convicts the world of sin, righteousness and judgment, leads Christ's church in truth and is the Teacher and Comforter sent by Jesus Christ.

WE BELIEVE that salvation comes through Jesus Christ alone; that salvation involves the redemption of the whole person and is offered freely to all who exercise faith in Jesus Christ. We believe in the resurrection of both the saved and the lost; those who are saved unto the resurrection of the living and those who are lost unto the resurrection of damnation.

WE BELIEVE in the spiritual unity of believers in our Lord Jesus Christ as one holy catholic and apostolic church, Christ's body and bride ministering reconciliation to a lost world. As ambassadors for the Kingdom of God and the church, we affirm that evangelism and engagement in societal issues are both part of our Christian duty; both are necessary expressions of our doctrines of God and humanity, our love for our neighbor and our obedience to Jesus Christ.

WE BELIEVE the message of salvation proclaimed by Christ's church is an indictment upon every form of alienation, oppression and discrimination, denouncing evil and injustice wherever it exists by lovingly ushering in the good news that Christ reconciled the world to Himself.

VISION STATEMENT

Grand Canyon University is the premier Christian university educating people to lead and serve.

MISSION STATEMENT

Grand Canyon University prepares learners to become global citizens, critical thinkers, effective communicators and responsible leaders by providing an academically challenging, values-based curriculum from the context of our Christian heritage.

HISTORY AND CAMPUS GROWTH

Since 1949, Grand Canyon University has been helping students find their purpose and achieve their potential by preparing them to pursue their chosen career, advance in their current career or re-career into a different field. As a Christian university, GCU also encourages students to find their purpose in Christ, with an emphasis on applying Christian values and ethics to their studies and to the workplace.

GCU offers online and campus-based degree programs within a dynamic learning environment for both traditional students as well as working professionals. Our classes are appropriately sized for each content area and offer engaging interaction with classmates as well as individual attention from faculty who care about student success.

GCU is experiencing an exciting time of campus expansion that includes new dorms, classrooms, student recreation centers, parking structures and an upgraded 7,000-seat arena. The Arena is home to our men's and women's basketball teams and also hosts other events such as concerts and world-renowned Christian speakers.

As a regionally accredited university, GCU offers the most experienced leadership in delivering degree programs online. Students work in an innovative digital classroom, connect with full-time faculty and enjoy complete access to our vibrant Phoenix campus community, while studying at the times that work for their schedule and still enjoying a close connection with classmates via online discussions. For more information regarding GCU's mission statement, visit gcu.edu/mission.

THE UNIVERSITY MACE

In medieval times, a mace was a hand-to-hand combat weapon. In about the year 1400 A.D., a mace evolved from a weapon to a ceremonial instrument used by academicians in rituals such as commencement and inaugurations. The oldest known ceremonial mace was that of the Faculty of Common Law on University of St. Andrews in Scotland, used in 1438.

The mace is carried at the head of the procession and placed in a special stand, thus signifying the formal onset of the ceremony.

GCU's ceremonial mace is a hand-crafted walnut staff combined with a specially sculpted medal seal. When the

Grand Canyon College seal was adopted in 1950, two of its major components were the cactus and the cross. The saguaro cactus rises from its desert setting to signify the intellectual opportunity for Grand Canyon University students, counteracting the arid mental state of uneducated man. The cross stands prominently on the horizon as a guide for spiritual enlightenment. Between the outer circle representing the earth and inner circle representing the wheel of progress, the name of the university, its location and the year it was chartered are inscribed.

ACADEMIC REGALIA

The doctorate (from Latin, docere, to teach) was the first known academic degree and was granted by the University of Bologna in the 1100s. Originally, doctor's and master's degrees were almost synonymous, while "bachelor" referred to entering a course of study rather than completing a level of work.

Beginning at Harvard in 1642, American universities followed British traditions in both the conferring of degrees and the design of academic costumes or "regalia." While some common practices were observed, it was not for some 200 years that a uniform code was established.

Regalia consists of gowns and hoods. The distinguishing marks of the gowns indicate the level of scholastic achievement of the wearer. Those who hold doctorates wear gowns that have a facing of velvet on the bell-shaped sleeves. While neither the master's nor bachelor's gowns have trimmings, both are distinguished by the cut of the sleeves. The master's gown is noted by its long sleeve which drapes freely to the wrist; the bachelor's gown has a pointed sleeve.

Hoods, designed to display the school's colors, as well as the type of degree and area of study, are worn around the neck and flowing down the back. The color of the lining inside the hood – the chevron – represents the colors of the wearer's alma mater.

The color and width of the velvet edging on the hood indicates the degree and field of study.

Baccalaureate graduates of Grand Canyon University wear the black gown without the hood. The academic colleges are represented by the color of the tassels which hang from the mortarboards. Gold and silver cords indicate that the wearer is graduating with honors.

Faculty and staff who march in the commencement ceremonies wear gowns and hoods appropriate for their academic achievements. While not an exhaustive list, the following are some of the colors that may be seen on their hoods:

Arts, Letters, Humanities	white	Nursing	apricot
Business	drab	Public Administration (MPA),	
Education	light blue	Government, Justice Studies	
Engineering	orange		peacock blue
Fine Arts	brown	Public Health	salmon pink
Math, Science,		Religion	scarlet
Technology	science gold		

Those who hold the PhD degree may choose either the color of their discipline or PhD blue, a royal blue.

THE OFFICE OF ALUMNI RELATIONS WELCOMES THE CLASS OF 2019 ALUMNI!

At Grand Canyon University, you're a Lope for life. As you continue to pursue your purpose, you can still stay connected to our campus community. We invite you to join a local alumni chapter, where you can network with fellow GCU grads and stay connected to your Lope roots. We also host alumni events throughout the year and offer plenty of opportunities to get involved!

Don't forget to share your stories and accomplishments, from career achievements to personal milestones.

Congratulations Class of 2019!
