

2022 Women's Mentor Program

Create the balance.
Influence tomorrow.

Our future leaders will be defined by their achievements. Not their gender. We champion women in banking. To make the path to the top fair for everyone. So that our next generation of leaders can show the world that work ethic counts above all else.

Apply now!

On April 4-8, join our Virtual Women's Mentor Program for sophomores looking to jump start a career in finance or technology. This highly selective career development and networking program is aimed at female sophomores. Women's Mentor Program offers early access to Credit Suisse senior leaders and members, as well as accelerated interviews for our 2023 Summer Analyst Program. **The application deadline is March 3.**

Application process

All women who qualify and apply using the link on the next page under each division's program by March 3 will be considered for the program. You may apply to multiple programs and there is not a separate application for the Women's Mentor Program. If you are selected for an interview but do not wish to participate in the program, we will keep your application open through the regular recruiting process.

Qualifications

Applicants must be a sophomore graduating in either December 2023 or May/June 2024.

Selected women must be available to attend the virtual events on April 4-8.

Information Session

On February 17, Credit Suisse will be hosting an information session regarding Women's Mentor Program. Join us from 12 pm ET to 1 pm ET to learn more about the program and answer any questions you might have. **Register here by February 16.**
