University Committee for  
Assistance, Response,  
and Evaluation

## We are here to help!

Students, not sure what kind of help you need? We will figure it out together!

## Who should use UCARE:

- All students -- undergraduates and graduates!
- Faculty and staff
- Parents
- Community members

If you notice a student who is in need of help, facing a challenge, or experiencing distress, refer them to UCARE for support.

# Student Support

Student Support works to assist students by identifying immediate needs, connecting to appropriate resources, and working to help students navigate challenges to support their well-being and success. Student Support responds to UCARE referrals and connects students with support and resources.

## Services

- Assistance navigating the student experience
- Resource connection
- Referral services
- Coordination of care
- Absence and leave support
- Access to Emergency Resources like the Student Emergency Fund
- Coaching and success planning
- UCARE response

We value holistic development, well-being, partnership, and integrity.

A collaborative culture of development, care, and accountability utilizing an integrated, solution-focused approach to promote the holistic development, well-being, and success of individual students and the campus community.
