Mentor Collective and Knack

February 21, 2023
Our Student Success programs—designed for first-year, second-year, transfer, graduate, and adult online students—connect mentees with relevant peer mentors who help them navigate the transition to college life and academic self-efficacy.

**Mentor Collective Peer Mentoring**

- Solicits potential mentors at S&T
  - Trains mentors
- Invites students to use the service
  - Entirely voluntary
- Uses algorithms to match students with mentors
- Minimum 3 check-ins per semester
- In-person, virtual, or text
Institutional benefits include:

- **Increase flexibility & accessibility**: A distributed network of tutors increases course coverage and hours of tutoring availability.
- **Lower barriers of entry**: Tutors can work whenever they want and determine the courses they support.
- **Low monetary & time cost of tutor employment**: Knack handles payroll, recruitment and training.
- **Minimal effort to administer enhanced program**: Tutors and tutees handle their own scheduling and Knack manages tutor inquiries and tax form processing.
- **More value for your tutoring budget**: Knack’s “1099 tutors” are only paid for the time they spend tutoring students and your center isn’t billed for unattended sessions or unbooked availability.
- **Meeting demand is easier than ever**: Course coverage is infinitely scalable and asynchronous tutor onboarding requires zero time commitment from your staff.
