Hi Stacy,

I hope you're doing well! First of all, I'd love to have your mailing address so we can send you a Christmas card!

Second of all, I just wanted to thank you again for helping me get my job at NAMT. In September, I passed my one year mark with the company and so far I've learned so much about the industry and am really starting to grow here. If all goes well, I should be taking on a larger role in planning and coordinating next year's Festival of New Musicals.

I might come visit Tuscaloosa sometime in the spring or next fall. I would love to catch The Drowsy Chaperone - I LOVE that show, plus it's a NAMT alumni show and my office likes to keep track of productions around the country. I hope rehearsals are going well!

My best to you and Rob and Evy,

Kelly
