

Stacy,

Thank you so so so much for the role you have played in my growth here, and also my decision in pursuing WIT / commercial dance! I would literally not be the artist I am today without you, and zio! Thank you for encouraging me and pushing me. I don't think you even remember, but the end of the semester meeting with you Fall 2016 literally changed my perception of myself and my continual pursuit to be better but love who I am. I think often of that conversation, and I cannot thank ↗

you enough for believing in me and
causing me to believe in myself. I
wish I could've worked with you
more, but I am on so grateful for
the time I did have to learn from
you! ♡ Alison Shuman
