

Stacy,

I am so incredibly grateful for you. Thank you for trusting a young and scared PA who was way out of her element. Thank you for four years of incredible experiences. Thank you for all of your support (and teaching moments) all along the way. I'm so honored to work on Spring Awakening with you. It feels so fitting to start and end my college career with you as my director. You have changed my life in so many ways, and I am so glad I got to spend so much time with you. I'm going to miss you so much when I graduate!
