

The Happy Graduate Student's *Checklist*

- √ Did I talk to my Advisor within the last week?
- √ There are no weekends in graduate school
- √ Money? I don't think about such irrelevancies
- √ A paper a day keeps the Advisor away
- √ Data, data, do I have enough data?
- √ Statistics is my middle name
- √ Have I drawn a concept map today?
- √ You can't think on an empty mind
- √ Goals can be achieved by prioritizing
- √ To prioritize, you need to know your goals
- √ Did I hug my organism today?
- √ Great ideas come to you while eating and talking, enjoy the two with your fellow students
- √ Does the Biology Librarian know my name?
- √ E-mail is good, but even too much chocolate can upset your stomach
- √ Gosh! You mean the Internet can actually be useful?
- √ Think, think, think...
