

Bike Shop Opening September 3

We are excited to announce the opening of [Zot Bicycle](#), UCI's new bike shop. On Tuesday, September 3, Zot Bicycle will open for all of your cycling needs. Conveniently located [near the Student Center](#), the shop will offer exclusive bike packages, great deals on bike tune-ups, and so much more for the UCI Community. Stop by to meet the Zot Bicycle staff and help us welcome them to UCI!

Smart Cycling on September 4 and 7

Start the new academic year right by becoming a confident cyclist and attending our complimentary Smart Cycling course. Taught by our League of American Bicyclists certified instructors, you will learn various essential cycling skills, including how to repair a flat and ride safely among vehicles. The in-class session begins at 5:30 p.m. on Wednesday, September 4 in the Student Center. Following the in-class session, cyclists may take part in a guided nine-mile, bike ride on Saturday, September 7, to earn a Smart Cycling Certificate.

CONGRATULATIONS,
BikeUCI Ambassadors

Congratulations, BikeUCI Ambassadors!

UCI Transportation is celebrating another successful year with our BikeUCI Ambassador program. In the 2018-2019 academic year, over 600 hours of volunteering were completed by Ambassadors at many BikeUCI events and safety demonstrations. Thanks to the continual support of all of the students, faculty, and staff who choose to become Ambassadors, we are improving cycling safety and strengthening UCI's biking community.

We look forward to another great academic year with even more biking events and giveaways. If you're interested in joining this fun and encouraging group of bicyclists, sign up to become a [BikeUCI Ambassador](#) today!

BikeUCI Volunteer Opportunities

BikeUCI Ambassadors may share their enthusiasm for riding, safety, and fun at any of the upcoming events with fellow Anteaters and OCTA's [OC Bike Adventures](#). Only certified LCIs may volunteer to instruct at the LCI seminar and Smart Cycling on-bike course.

- Volunteering Opportunities: [OC Bike Adventures](#)
- Wednesday, September 4: [Smart Cycling In-Class](#)
- Saturday, September 7: [Smart Cycling On-Bike](#)
- Friday, September 20-Sunday, September 22: [League Cycling Instructor \(LCI\) Seminar](#)
- Monday, September 23: [Anteater Involvement Fair](#)

These events will allow BikeUCI Ambassadors to gain points and level up within the program for the chance to receive complimentary training and potential giveaways exclusive to advanced levels. Our goal as a program is to highlight the importance of riding safely while having fun and being courteous to other road users.

VOLUNTEER OPPORTUNITIES

Ambassador Spotlight

Natyeli Yepes, Gold Level

Founding Member

Natyeli enjoys an active lifestyle and volunteers at many bike festivals and safety demonstrations to share her passion for cycling. As an enthusiastic cyclist, she is a wonderful addition to our biking community. When asked why she encourages cycling, Natyeli said that she wanted others to experience "its convenience and health benefits on the body."
