

BICYCLIST & PEDESTRIAN SAFETY

Summer Travel

As summer continues, more of our UCI community members have taken to pathways and trails for seasonal, warm-weather walks and rides. While traveling on campus and around our local community, take the proper safety precautions, such as bringing plenty of water to stay hydrated and wearing adequate sun protection. Be sure to wear appropriate safety equipment, including a helmet while riding, and follow all posted safety and traffic signs both on and off campus. This includes adhering to posted speed limits, respecting lane designations, and following safety guidelines, including Ring Mall riding policy that prohibits device riding in the area between 8:30 a.m. to 5:00 p.m., Monday through Friday ([UCI Policy 904-13, Section E](#)). Explore the articles below for more tips for safe and enjoyable summer travel.

Take Your Rides Further: Anteater Express, OC Bus, & Metrolink

SUMMER SAFETY TIPS

Stay Hydrated

Wear Sun Protection

Travel in Groups

The summer months provide the perfect opportunity for our UCI community members to embrace the spirit of adventure and explore new destinations before the start of fall quarter. Make the most of your summer travels by combining bike rides with the [Anteater Express](#), OC Bus, and Metrolink train. The Anteater Express and OC Bus are equipped with bike racks, allowing you to [secure your bike](#) and travel to popular destinations across Orange County. For those looking to travel beyond the local area, Metrolink trains have [designated cars](#) for cyclists to store their bikes during longer journeys. These bike-friendly options make it easy for cyclists to explore neighboring cities, visit scenic locations in Orange County, or plan longer trips to out-of-county destinations.

Additional Travel Resources

To get the most out of your summer travels, UCI community members can utilize the [University Pass](#) for unlimited rides on standard OC Bus routes; ideal for those who frequently use the bus as part of their commute or for casual trips around neighboring cities. For students commuting by train, the [Student Adventure Pass](#) provides complimentary rides for all UCI students on Metrolink lines. Together, these amenities make it easier and more affordable to explore new destinations while bringing your bike along for the journey.

Safe travels, Anteaters!

SAVE THE DATES: UPCOMING EVENTS

UCI Transportation hosts regular events and demonstrations so you can be more knowledgeable about safety, bike care, and bike security! Visit our [bike website](#) to stay updated and mark your calendars for the informative bike-related event dates below.
