- Approvals of November and December minutes will be deferred to the next meeting.

**Statement of Subject: Chair, Vice Chair, Immediate Past Chair Updates**  
- John B. shared Chair’s updates:
  - CUCSA will be presenting to the Regent about staff retention, focusing in requesting 7.1% increase to reflect the current inflation rate, and a $2,000 one-time stipend to every employee earning $65,000 or less. CUCSA leadership is also working on to have consistent salary increase for staff.
  - John B. and Lou G. will meet to discuss what the student support looks like, and look into the internship programs that we can get for administrative support.
  - John B. and Joani H. have been asking to meet with the HR leadership to discuss the picnic budget for next year. SA is trying to get more staff support for long term, i.e., having a part time employee from HR working on the picnic. In addition, some SA council members or leadership on other UC campuses receive some forms of compensation.
