Winter Break

While we hope that all students are able to enjoy winter break away from campus, residents will have access to their rooms over the break. There is no additional cost for remaining in housing during the break, but service levels will be modified. Housing staff will be present to ensure safety/security and manage building maintenance issues.
Don't Overpack! You can always bring more belongings at a later date, and you can pick up some supplies locally. Packing light means fewer belongings to carry from your car on move-in day.
