

A collaboration of campus units, student groups, and community organizations, Hunger and Homelessness Awareness Week (HHAW) marks the next step in UCI's efforts to support the needs of its students, faculty, staff, and community. Part of a [nation-wide initiative](#), the week-long series of events, displays, and outreach aims to raise consciousness of the resources available and ways in which the UCI community can get involved.

In 2021, events continued to be offered online and in-person for students, faculty, staff, alumni, and the entire Anteater community. HHAW efforts included:

- Outdoor open houses at the FRESH Basic Needs Hub welcoming staff, faculty, and graduate students.
- Virtual cooking class, with provided ingredient kits, hosted by the FRESH Basic Needs Hub and campus social worker.
- Highlighting UCI Transportation and Distribution Services' 12th Annual Clash of the Cans .
- Promoting events hosted by United to End Homelessness including the first ever “State of Homelessness Address” for the Orange County community.
