

## RADIOLOGY GRAND ROUNDS

Wednesday, October 4, 2023-12:00pm-1:00pm

**In-person:** UCI Medical Center Douglas Basement, Room 0117

**Zoom:** <https://bit.ly/3P7KH71>

### **“Theranostics and the Reshaping of Nuclear Medicine in 2023”**

**Shyam Srinivas, MD, PhD**

Associate Clinical Professor, Radiological Sciences  
University of California, Irvine

#### **Statement of Need**

These CME lectures are being held for UCI and community physicians to increase knowledge and give updated information on Radiological Science topics and research.

#### **Target Audience**

Attending physicians of the UCI Division of Radiological Science located at UCIMC and the Long Beach VAMC, community physicians and other health care professionals.

#### **Objectives**

**At the conclusion of this activity, the participant should be able to:**

1. Utilize enhanced skills in performing procedures and interpreting diagnostic results.
2. Discuss the latest and most appropriate medical diagnostic methods.
3. Utilize an organized method for establishing an accurate diagnosis.

#### **Faculty Disclosure**

Shyam Srinivas, MD, PhD has nothing to disclose.

#### **Course Director/Planners**

Joseph Burns, MD, PhD, Anton Hasso, MD, Sonia Lee, MD, Vahid Yaghmai, MD and Sabee Molloii, PhD, have disclosed that, as course director, planners, and content reviewers, that they have no financial relationships to disclose. Daniela Garibay, as administrative staff, has no financial relationships to disclose.

#### **Accreditation Statement**

The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

#### **Designation Statement**

The University of California, Irvine School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **ADA Statement**

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Daniela Garibay at (714) 358-3498 before the meeting dates.

#### **California Assembly Bill 1195 and 241**

This activity is in compliance with California Assembly Bill 1195 and 241, which require CME activities with patient care components to include curriculum in the subjects of cultural and linguistic competency & implicit bias. It is the intent of AB 1195 and AB 241 to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population and reduce health disparities through appropriate professional development. Please see the CME website, [www.med-ed.uci.edu/cme](http://www.med-ed.uci.edu/cme), for AB 1195 and AB 241 resources.
