

**Eve Nam**  
**Senior Vice President, Talent and People Strategy**  
**Scopely**

Eve is currently the Senior Vice President of Talent and People Strategy for Scopely, a leading mobile game company located in Culver City that has been growing through a combination of organic and inorganic growth.

Eve began her career in consulting at both Edgar, Dunn & Company and AT Kearney where she helped clients on a broad range of topics including business planning, marketing and branding and cost management. She spent ten years in executive recruiting at Korn Ferry before joining Activision Blizzard where she held a number of roles including leading executive recruiting, the talent acquisition team at Blizzard and serving as the HR Business Partner in the digital advertising business at King. Most recently, she led recruiting at Epic Games during a period of rapid growth as the company's employee population grew over 50% over 5 quarters and the company's valuation increased by more than two-thirds.

Eve holds a Master of Business Administration from The Paul Merage School of Business, UC Irvine and a Bachelor of Arts from UC Berkeley.
