

**Shaun Braun SVP,
Digital Transformation
3M**

Shaun Braun is the Senior Vice President of Digital Transformation at 3M. In this role, Shaun is responsible for developing and leading the enterprise digital strategy including technical and commercial leadership across the business teams and enterprise operations.

Shaun was previously at Stryker Corporation for 12 years holding multiple leadership positions including Group CIO and the Vice President of Digital Technology and Innovation. Prior to his time at Stryker, Shaun held leadership positions at Oracle, PeopleSoft, and JD Edwards.

Shaun has a bachelor's degree in Neurobiology from University of California Berkeley and an MBA from University of California Berkeley Haas School of Business.

Shaun is a senior technology executive with leadership experience in medical science, software development, and global supply chains. He was a founding member of AdvaMed's Digital Health Executive Leadership Group, has been published in medical journals and was recognized by Fortune magazine as a top 10 Service Leader.
