Relevant Personnel Review Experience

At the University of Colorado, I served as a member of the Vice Chancellor's Advisory Committee on Promotion and Tenure (VCAC) from 2012-13. We reviewed and made recommendations on all promotion and tenure files from all the departments on the Boulder campus.

I've served on the appointments committee at various schools, which often included the preparation of tenure files:

- University of Illinois (2008-09)
- University of Colorado (2009-10, 2010-11)
- University of San Diego (2014-15, 2015-16)
- UCI (2019-20)

Finally, I served as the chair of the Dean's Research Advisory Committee at the University of San Diego Law School. The committee was responsible for designing and implementing procedures for the allocation of limited research funds and summer stipends across the faculty.
