

TEACHING FRACTIONS THROUGH RATIO REASONING PART B

Grades 3–6

Meetings on Zoom

January 24, 2026

February 7, 2026

February 21, 2026

8:00 am – 11:00 am on ZOOM

No Substitute Needed!

Three sessions focusing on multiplication and division of fractions through ratio reasoning.

Deepen Your Understandings

Moving from multiplication and division with whole numbers to rational numbers is a challenge for many students. Join us to deepen your own understanding of rational numbers and learn research-based and classroom-tested strategies that use ratio reasoning to build a cohesive learning opportunity for all of your students.
