FAST TRACK
Qualified seniors can take graduate courses

WHAT IS IT?

- An opportunity for a qualified senior to begin working on an EPPS master’s degree while still an undergraduate
- Graduate courses can be used to satisfy requirements for:
  - Both Undergrad and Graduate degree (“Option B”)
  - Undergrad degree only (“Option A”)
  - Graduate degree only (“Option C”)
- Upon completion of Fast Track requirements and graduation with bachelor’s degree, an “Option B” student may be auto-admitted into an EPPS master’s program

ADVANTAGES

A student who successfully completes Fast Track:

- Will not be required to go through normal graduate school application process (e.g., GRE, letters of recommendation, personal narrative, etc.)
- Will be charged tuition at the undergrad rate, not the graduate rate for the graduate classes

HOW TO QUALIFY

To take graduate classes:

- Have a minimum of 90 earned hours
- Have overall and major GPAs of at least 3.20
- Have completed some or most classes in the major core
- Be Core Curriculum complete
- Have approval from both Fast Track Advisor and EPPS Associate Dean

To Fast Track into an EPPS master’s program:

- Complete a minimum of 2/maximum of 5 grad courses (6-15 hours)
- Earn a grade of “B” or higher on all grad courses
