**THE UNIVERSITY
OF TEXAS AT DALLAS**

Students who transfer to UT Dallas are people with plans.

The University of Texas at Dallas has a long understanding of, and respect for, transfer students and their goals. We were founded as a university in 1969, expanded to admit upper-division students in 1975 and began admitting freshmen in 1990. We've known transfer students longer — that's why we understand you.

Today, our student body is nearly 40 percent transfers who are consistently ranked among our most successful students — soccer champions, White House interns and business majors with global ambitions. UT Dallas transfer students also have one of the highest graduation rates among Texas public universities.

Goal-driven. Purposeful.

Our statistics are impressive because of the quality of our students. They arrive at UT Dallas with college experience and a strong determination to reach their goals.

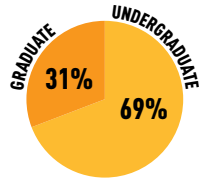

On these pages you'll learn more about how we can personalize the process to help you reach your goals. Visit us online, call us or let us give you a personal tour of our campus.

Begin your journey with us today!

Quick Facts

Founded
1969

Location: As part of the thriving Dallas-Fort Worth Metroplex, UT Dallas is strategically positioned to develop strong research and employment opportunities with industries that include high-tech, telecommunications, logistics, finance and consumer brands. Twenty-four Fortune 500 and 43 Fortune 1000 companies are headquartered in the Dallas-Fort Worth Metroplex.

Origin of Students: The top states of origin are Texas, California, Illinois, Oklahoma, Louisiana and New York. Over 5,500 international students representing more than 100 countries call UT Dallas home.

All **24** Fortune **500** Companies in Dallas-Fort Worth Have Hired UTD Graduates

Over **4,500** Internships Were Awarded to UTD Students Last Year

“As a non-traditional transfer student, UTD had everything that I needed to feel accepted and valued on campus. I was afraid that I would not fit in, but it wasn’t long until I felt welcomed and encouraged to get involved with several student organizations.”

Transfer to UT Dallas

UT Dallas welcomes applicants who have begun their college work and are in good standing at other institutions of higher education.

Transfer Planning

Review our Transfer Plans to make sure you're taking courses that will transfer into your intended major here at UT Dallas. **Download your transfer plan at utdallas.edu/enroll/transfer/plans**. You may schedule a pre-admission appointment with an admissions counselor who can provide you with an unofficial evaluation of your transfer credits and help guide you through the admission process.

To schedule an appointment, call 972-883-2270 or visit utdallas.edu/enroll/contact.

Transfer Application Requirements

Step 1 Complete and submit an application at www.applytexas.org.

Step 2 Submit a \$50 application fee.

Step 3 Submit official documents.

An official transcript is required from each college attended. To be considered official, electronic transcripts must be submitted directly through the attending school. If electronic submission is not available, the documents should be mailed from the institution in a sealed envelope. Visit utdallas.edu/enroll/official-documents for the address and other information about sending official documents.

Applicants with fewer than 30 transferable credit hours may also submit the following:

- High school transcript(s).
- SAT/ACT scores.

APPLICATION DEADLINES FOR TRANSFER APPLICANTS

	PRIORITY APPLICATION DEADLINE*	REGULAR APPLICATION DEADLINE
Fall Full-Term	JANUARY 15	JULY 1
Spring Full-Term	MAY 15	NOVEMBER 1
Summer (All Sessions)	OCTOBER 15	MAY 1

*Complete applications received by the priority deadline will receive early review for admission and scholarship purposes.

Reviewed Admission

All transfer applicants are reviewed individually and holistically. Consideration is given to factors such as:

- Cumulative GPA and overall academic coursework and performance.
- Preparation for and ability to be successful in intended major.
- Information provided in optional supplemental materials including a resume, essay, and/or letter(s) of recommendation.
 - While not required, we encourage all applicants to submit supplemental materials.
 - Letters of recommendation are limited to a maximum of three.
 - Applicants should respond to the Apply Texas application essay prompt.

Assured Admission

Transfer applicants are eligible for assured admission if they satisfy the following criteria:

- 42 or more transferable credit hours.
- A minimum cumulative transferable GPA of 3.0 or greater on a 4.0 scale.
- Fewer than 90 cumulative attempted hours between all attended institutions of higher education.
- Applicant must be in good standing with the last college or university attended.

OR

- A Comet Connection member with a completed AA/AS/AAT.
- A minimum cumulative GPA of 3.0 or greater on a 4.0 scale.
- Applicant must be in good standing with the last college or university attended.

OR

- Qualify for admission under section 51.8035 of the Texas Education Code.

Students admitted to the University will be enrolled in the degree program requested in their application, subject to academic requirements for specific degree programs and enrollment capacities. Students who cannot be enrolled in their first choice of major will be offered enrollment as outlined in their acceptance letter.

Application Processing & Status Tracking

Once the application file is completed, including all required documents, the application will be processed and an admission decision can be made.

Students are encouraged to apply early. Complete application files are processed in the order received. Students should include their full name, birthdate and/or UTD-ID or application ID on all documents.

Application status can be viewed by visiting the Galaxy portal at utdallas.edu/galaxy. First, set up a NetID and password using the UTD-ID provided in the application acknowledgement letter. Learn more about setting up NetIDs at netid.utdallas.edu.

Next Steps After Admission

- Accept admission offer** online through Galaxy.
- Apply for financial aid** — FAFSA school code: 009741.
- Register for Transfer Student Orientation.**
- Apply for on-campus housing**, if desired.
- Send official placement test scores** — Receive course credit from placement tests such as Advanced Placement (AP), International Baccalaureate (IB), College Level Examination Program (CLEP) and General Certificate of Education Advanced Level (GCE A level), if eligible.
- Submit proof of meningitis vaccination**, if required. Students must be 22 or older by the first day of class to be exempt from this requirement.

Transfer Orientation

Students transferring to UT Dallas must attend a Transfer Orientation to meet with academic advisors, register for classes and learn about UT Dallas resources. Transfer Orientation dates and a list of steps to complete before attending Transfer Orientation are available at utdallas.edu/transferservices/orientation.

Transfer Student Services

We are here to help you successfully transition to your new home at the University.

Join us for **Road Warriors**, a program committed to enriching the collegiate experience of commuter students, or monthly events including **Transfer Thirsty Thursdays**, where transfer students can mix and mingle at the Pub and enjoy some downtime with games and appetizers, and **Transfer Coffee and Conversations**, where you can grab a morning joe and chat with your fellow transfer students.

We are here to answer your questions and connect you to information, resources and success tips. Find out more at utdallas.edu/transferservices.

Scholarships

▶ utdallas.edu/transfer-scholarships

COMET TRANSFER SCHOLARSHIP ELIGIBILITY REQUIREMENTS		
REQUIRED TRANSFERABLE GPA	FULL-TIME AWARD (PER SEMESTER)	PART-TIME AWARD (PER SEMESTER)
3.75 - 4.00	\$1,500	\$750
3.50 - 3.74	\$1,000	\$500
3.25 - 3.49	\$500	\$250
3.00 - 3.24	\$500	\$250

* Awards may be renewed for a maximum of six consecutive semesters. Visit utdallas.edu/transfer-scholarships for additional information regarding renewal eligibility.

PHI THETA KAPPA (PTK) ELIGIBILITY REQUIREMENTS		
	REQUIRED TRANSFERABLE GPA	AWARD (PER SEMESTER)
Full Time (12+ hours)	3.50	\$500
Part Time (6-11 hours)	3.50	\$250

Eligibility Requirements for Comet Transfer and PTK Scholarships

- Students must be a Texas resident at the time of admission.
- Must have earned at least 30, but no more than 90, transferable semester credit hours. A minimum of six of those hours must have been completed after high school graduation, excluding the summer immediately following high school graduation.
- Students are reviewed automatically for both the Comet Transfer and PTK scholarships when admitted.
- For consideration for PTK scholarship: Proof of PTK membership is required and must be submitted to the Office of Financial Aid soon after applying for admission.
- Scholarships are subject to the availability of funds.
- These scholarships are awarded for fall or spring semesters to first-time undergraduate transfer students.
- Scholarships may be used in addition to other grants, scholarships or loans.

Terry Scholars Program

▶ honors.utdallas.edu/terry/scholars

The Terry Scholars Program is a four-year cohort experience that provides students awarded the Terry Foundation Scholarships with intellectual, social, cultural and financial support to help prepare them for future leadership roles.

Tau Sigma National Honor Society

▶ utdallas.edu/transferservices/tausigma

Tau Sigma recognizes the academic excellence of transfer students, while encouraging and promoting involvement in the University community, especially in activities that assist other transfer students in making a successful transition.

Teacher Certification Programs

At UT Dallas the coursework and field experiences leading to teacher certification are delivered through two separate teacher preparation programs, the Teacher Development Center in the School of Interdisciplinary Studies and UTeach Dallas in the School of Natural Sciences and Mathematics.

Teacher Development Center Certifications

▶ 972-883-2730 utdallas.edu/teach

The Teacher Development Center offers both generalist and secondary certifications. Students complete the program with a semester of supervised student/clinical teaching. The Teacher Development Center offers the following certifications:

- Early Childhood to Grade 6: Core Subjects (all core content fields), ESL Supplement
- Grades 4-8: Core Subjects (all core content fields) English, Language Arts & Reading (ELAR), Mathematics, Science, Social Studies
- Grades 6-12: Physical Science
- Grades 7-12: Chemistry, English Language Arts and Reading (ELAR), History, Life Science, Mathematics, Science [composite-biology, chemistry, earth, physics], Social Studies, [composite-history, geography, government, economics]
- Grades 8 to 12: Computer Science

UTeach Dallas Certifications

▶ 972-883-6485 utdallas.edu/uteach

The UTeach Dallas certification offers secondary certifications in STEM (science, technology, engineering and mathematics) subjects. Students experience classroom teaching as early as their first semester and teaching experiences continue throughout the program. UTeach Dallas also offers many scholarship and local internship opportunities to its students. UTeach Dallas offers the following certifications:

- Grades 4-8: Mathematics, Science
- Grades 6-12: Physical Science
- Grades 7-12: Chemistry, Life Science, Mathematics, Science
- Grades 8-12: Computer Science

“Within a month of transferring I found myself in Student Government, college radio and Pi Kappa Phi fraternity. I completed my undergrad with highest honors, I am currently in the MBA program and plan to attend law school.”

Christian Filsouf
MBA Student

Pre-Professional Programs

Pre-Law Advising Center

▶ 972-883-4605 utdallas.edu/pre-law

The Pre-Law Advising Center helps students from all majors make informed decisions about their preparation for law school and a legal career. The center offers a variety of services and programs tailored to every stage in the law school application process.

Top law schools regularly accept UTD students.

Health Professions Advising Center

▶ 972-883-6767 utdallas.edu/pre-health

The Health Professions Advising Center (HPAC) provides academic, career and personal advising to students who seek health careers in medicine, dentistry, pharmacy, optometry and other health professions. HPAC also sponsors seminars throughout the year and provides a resource room/lounge where students study, read scientific and professional journals and take advantage of free tutoring. **Students who go through the Health Professions Evaluation process are admitted to medical and dental schools at a rate generally 15-20 points above the national average, and the rate increases dramatically for students who participate in the Health Professions Evaluation.**

Institute for Innovation and Entrepreneurship

▶ 972-883-5990 innovation.utdallas.edu

The Institute for Innovation and Entrepreneurship is a campus-wide initiative that promotes cross-disciplinary academic and startup programs. Students have the opportunity to gain experience in entrepreneurial activities and to earn a concentration in entrepreneurship or a minor in innovation and entrepreneurship. The Institute is a resource for all students interested in startup competitions, entrepreneurial academics, tech commercialization or mentorship launching their own companies.

University Career Center

▶ 972-883-2943 utdallas.edu/career

The University Career Center offers a variety of services for students at all stages of their job search process. Licensed professional career counselors provide career assessments and interview training. A full-time resume editor helps prepare resumes and cover letters, business communications and personal statements. The Career Center also has career workshops and an online job-search database and helps students find internships for the summer or the school year.

- Last year over 4,500 internships were awarded to UT Dallas undergraduate and graduate students.
- UT Dallas graduates have been recruited by all 24 Fortune 500 companies in the Dallas-Fort Worth Metroplex.

UT DALLAS GRADUATES HAVE RECEIVED JOB OFFERS FROM:

Amazon	Expedia	JPMorgan Chase	Texas Instruments
American Airlines	Fidelity Investments	Mary Kay	U.S. Federal Government
Apple	Fujitsu	Merrill Lynch	USAA
AT&T	Google	Microsoft	UT Southwestern

Ericsson	Intuit	State Farm	
Ernst & Young	Intel	Southwest Airlines	

The Career Management Center (CMC)

▶ 972-883-6916 jindal.utdallas.edu/career

The Career Management Center (CMC) prepares degree-seeking students in the Naveen Jindal School of Management for significant and fulfilling business careers. The center has a committed and enduring relationship with the Dallas-Fort Worth business community and offers tools and programs to help students and graduates build their networks, enhance their skills and develop professionalism. Services include:

- CometCareers
- HireJSOM powered by Handshake
- Professional development opportunities
- Internships
- Portfolio building

Office of Industrial Practice Programs

▶ 972-883-4363 engineering.utdallas.edu/engage

Industrial Practice Programs are available for Erik Jonsson School of Engineering and Computer Science undergraduate and graduate students that include cooperative education, internships and curricular practical training.

Eugene McDermott Library

► 972-883-2955 utdallas.edu/library

Open every day, and 24 hours on weekdays, the Eugene McDermott Library provides students access to relevant, authoritative and scholarly resources, including:

- Ample space for students to study and research and a variety of study rooms that allow for both individual and group work.
- Computers equipped to copy, print and scan documents.
- Multimedia equipment available to rent, including DSLR cameras and tripods.
- Access to electronic media including streamable content that can be used on and off campus.

Student Success Center

► 972-883-6707 utdallas.edu/studentsuccess

Whether it is individualized tutoring, Peer-Led Team Learning (PLTL), Supplemental Instruction (SI), coordinated group study or another approach to improving academic achievement, our student success team members make every attempt to assist students in achieving their academic goals across a wide variety of subject areas. Services include:

- **Math Lab:** Provides help with math, physics and statistics courses.
- **Writing Center/Comm Lab:** Assistance at any stage of the writing process, and preparing oral and group presentations.
- **Success Coach:** Individual meetings with a success coach for students who are looking for a personalized plan for studying, managing time, navigating the University or just getting on the path to academic success.
- **Testing Center:** Technologically advanced computer testing lab that supports online exams in an array of courses.
- **Peer-Led Tutoring:** Tutoring by students who have excellent academic standing and excel in the areas in which they tutor. Tutoring sessions assist students with developing strategies that will help strengthen their knowledge, develop transferable learning skills and achieve academic success.

Orbit: Keeping New Comets on Course

► utdallas.edu/orbit

Through a variety of high-impact practices, the Orbit initiative represents UT Dallas' commitment to first-year student success, supporting new Comets as they engage, explore and find their place on campus.

Orbit aims to create a community in which all new students are actively involved and feel a greater sense of belonging at UT Dallas, increasing students' knowledge of University resources, helping them develop meaningful connections with faculty and fellow Comets, and encouraging them to participate in academic, co-curricular and extracurricular activities.

Comets to the Core

► utdallas.edu/core

Comets to the Core is a required project that challenges students to work in interdisciplinary teams to propose a solution to a complex world problem and encourages students to work with local partners to affect positive change in the community. Completed projects are used to measure students' communication, critical thinking, teamwork, and other skills, and the results are used to improve the University's core curriculum and related co-curricular opportunities for students. Transfer students will participate in the project during their first semester at UT Dallas.

What is the Comet Connection?

▶ 972-883-2270 or 1-800-889-2443 utdallas.edu/connect

The Comet Connection program is specifically for students who attend a Texas community college and would like to complete their degree at UT Dallas. It invites transfer students to become acquainted with the many services available to UT Dallas students.

Comet Connection members build a close association with UT Dallas. In addition to invitations to exclusive Comet Connection events, participants receive:

- **Tuition Savings:** Participate in the UT Dallas Guaranteed Tuition Plan.
- **Deferred Admission:** Defer admission for up to 12 months.
- **Degree Completion:** Transfer UT Dallas course credit back to community college to complete an associate's degree.
- **Early Advice:** Meet one-on-one with UT Dallas academic advisors.
- **Career Preparation:** Access health professions and pre-law advising centers.
- **Library Privileges:** Use the UT Dallas Library through the TexShare program.
- **Student Discounts:** Come to campus and athletic events at the Comet Connection student rate.

Lock in tuition — guaranteed!

Comet Connection members can lock in their tuition rate for five years from the time of registration. Tuition is charged on an hourly rate up to 12 hours for Texas residents. Any hours taken beyond 12 incur no further charge for tuition. For more information, go to utdallas.edu/tuition/guarantee.

"As a transfer student, I was a little nervous about adapting to a new university culture, but the transfer orientation and other student services helped me acclimate quickly."

Temesgen "TZ" Zerom
Mechanical Engineering Major

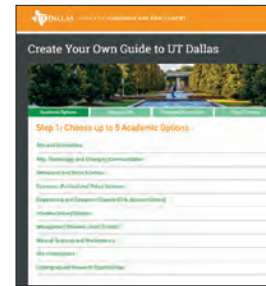

Estimated Cost of Attendance

The cost of college varies from student to student even at the same university, and may be reduced based on merit or need-based financial aid. Below are the approximate costs a student might expect for one full year of attendance at UT Dallas with no financial aid applied. For more information visit utdallas.edu/finaid.

ESTIMATED COST OF ATTENDANCE 2019-2020		
PER YEAR	TEXAS RESIDENT VARIABLE	OUT OF STATE VARIABLE
Tuition & Fees	\$13,442	\$38,168
Books & Supplies	\$1,200	\$1,200
Room & Board	\$11,532	\$11,532
Total	\$26,174	\$50,900

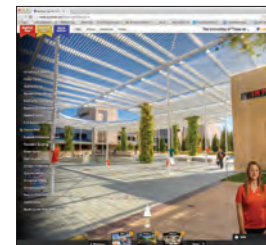

This chart is meant to be a guideline for estimating charges. For more information and current rates, visit utdallas.edu/finaid.
