Hey there, fellow seniors! Start off your last year of university strong by following this roadmap to success. Don’t forget to come visit us for career advice.

**STEP 01**
Begin to actively conduct your full time job search 6 months prior to graduation.

**STEP 02**
Start researching companies and organizations you wish to pursue for employment and go to career fairs and other career related events held throughout the year. Search for roles adjusting to your strategies as needed.

**STEP 03**
Meet with a career consultant to determine which job search strategies would be optimal for you and learn more about career resources you can use.

**STEP 04**
Network with potential employers and professors as much as possible during your final year at UTD. Attend career and internship fairs and other networking opportunities.

**STEP 05**
Follow graduate or professional school timeline if applicable and develop your personal statement and have it critiqued by the UCC.

**STEP 06**
Identify professionals willing to serve as references and write letters of recommendation for jobs or graduate school applications.

**STEP 07**
Tailor your resume and cover letter to each full time position for what you apply for. The "Resume Guide" can assist you in developing and editing.

**STEP 08**
Prepare for interviews using the UCC Mock Interview Service. Don’t forget to send thank you notes afterwards. See our Interview Guide for more tips.

**STEP 09**
Learn appropriate attire for professionalism and networking events by attending professionalism workshops. Purchase a business professional suit or look into the Comet Closet to rent one.
