Hey there, fellow freshmen! Welcome to the Year of Awareness. Start off your very first year of university strong by following this roadmap to success. Don't forget to visit us for career advice.

**STEP 01**
Join Handshake to make appointments with the Career Center, view jobs, internships, employers, and events.

**STEP 02**
Identify strengths, weaknesses, interests, skills, and values. Meet with a Career Consultant to discuss career assessments.

**STEP 03**
Review your current degree and course requirements to ensure it aligns with your career goals. Meet with an academic advisor or career consultant to discuss.

**STEP 04**
Start gathering information on degrees and careers you are interested in.

**STEP 05**
Attend workshops offered through the career center related to career development topics found on Handshake.

**STEP 06**
Research and join student organizations through the school.

**STEP 07**
Look into part-time jobs through Handshake to gain work experience. Make an appointment with a career consultant to assist with job search strategies and practice interviewing skills.
