Understanding Your Financial Responsibility

Simplifying Insurance Terminology

- Your **premium** is the amount you pay per month for your insurance.
- You are/may also be responsible for a **copayment**, which is a flat fee for certain services or prescriptions, determined by your plan.

There is only a copay, per quarter Smart Cycle.
- Initial Consult - No Copay
- Single Office Visit - No Copay
- Services worth ¼ Smart Cycle - $750
- Services worth ½ Smart Cycle - $1,500
- Services worth ¾ Smart Cycle - $2,250
- Services worth 1 Smart Cycle - $3,000
- Services worth 0 Smart Cycles (e.g., cancelled cycles with 0 Smart Cycle deduction) - No Copay
- Cost of medications for treatments are included in the set copays above.
Enhanced Reproductive Urology Services

• Members have access to reproductive urology services covered by Progyny *(no Smart Cycle deduction)* for a seamless member experience

• Progyny is the **first and only solution** with a curated network of top reproductive urologists

• New curated content available developed in conjunction with reproductive urologists, including a services overview and FAQs
