6. How should I choose my top three university partners?
6. How should I choose my top three university partners?

- Location and Culture
- Courses offered
- Professional Objectives
- Logistical considerations

Your top three university partners
6. How should I choose my top three university partners?

- Where do YOU want to go?
- Is there a specific country/culture/language you are interested in?
- Big city/smaller town?
- Where are your personal interests?
6. How should I choose my top three university partners?

- Does the university have a strong reputation in my field of study?
- Are there networking or internship opportunities?
6. How should I choose my top three university partners?

- What is the average cost of living in the city?
- What are the housing options and their costs?
- How accessible is public transportation?
Study Abroad Programs in JSOM

6. How should I choose my top three university partners?

- Which courses are available for incoming students?
- Are there already standing equivalencies with this university?
- If not, do they offer courses that align with my major?
