

## Welcome to University Housing!

We are excited that you are joining us for the 2022-2023 academic year. Please read this letter carefully, as it includes important information about move-in, policies, residential technology, and much more!

## Move-In Details

### Move-In Date and Time

It is important that you arrive at your assigned time to help ensure a smooth check-in process. Residents were sent their move-in letters via UTD email on July 22. Those emails included their move-in date and assigned time.

### Check-In & Move-In Maps

When you arrive on campus, you will check-in at the Visitor's Center prior to arriving at your building. **You will need to bring your Comet Card (or a government-issued photo ID) in order to pick up your keys. Keys will only be released to the resident.**

### **Check-In Maps**
