Graduate Faculty
Appointment and Reappointment
Criteria and Standards
(Revised September 2003)

Department: Fisheries and Allied Aquacultures
College/School: Agriculture

Date Approved by Department: September 22, 2003
Department Head: [Signature]

Date Approved by Graduate Council: [Signature]
Dean, the Graduate School: [Signature]

I. Levels of Membership

The Department will recognize four levels of membership on the Graduate Faculty.

Level 0: The faculty member may serve on a Master of Aquaculture (MAq, non-thesis degree option) committee as an additional member beyond the three required members (Level 1, 2 or 2A) but may neither teach at the 6000 or 7000 level nor chair a MAq committee.

Level 1: The faculty member at the rank of Assistant Professor (or its equivalent) and above may teach at the 6000 level, serve on both master’s and doctoral committees and direct master’s theses. Research fellows may teach at the 6000 level and serve on both master’s and doctoral committees but can not direct master’s theses.

Level 2: The faculty member may participate in the activities delineated for Level 1 and may also teach at the 7000 or 8000 level and direct doctoral dissertations.

Level 2A: For full-time administrators, who originally held Level 2 membership, may direct master’s level students, teach graduate courses, and be members of graduate committees at both master’s and doctoral levels, but may not direct doctoral students.
II. Criteria and Standards for Initial Appointment and Reappointment

Level 0

Initial Appointment Criteria

A. The candidate must hold the master’s degree or above in the aquaculture or a related discipline and must have at least three years of experience in the field beyond the master’s degree.

B. The candidate must hold a full-time or affiliate position.

Reappointment Criteria

A. Prior Service at Levels 0 or 1

B. The candidate has during the term of appointment contributed to the graduate program through:

1. Serving in an active and positive fashion on MAq graduate advisory committees and demonstrating excellence in his/her discipline.

Level 1

Initial Appointment Criteria

A. The candidate must hold the earned doctorate in the teaching discipline or a related discipline.

B. The candidate should hold a full-time or affiliate, tenure or non-tenure track faculty appointment at the rank (or its equivalent) of Research Fellow, Assistant Professor, or above.

Reappointment Criteria

A. Prior Service at either Level 1 or Level 2

B. The candidate has during the term of appointment contributed to the graduate program through:

1. Maintaining a level of teaching quality commensurate with departmental peers in graduate courses as evidenced by relevant student and/or peer teaching evaluations.

or
2. Chairing or serving in an active and positive fashion on graduate advisory committees.

Level 2

Initial Appointment Criteria

A. The candidate must hold the earned doctorate in the teaching discipline or a related discipline.

B. The candidate must hold a full-time or affiliate, tenure or non-tenure track faculty rank of assistant professor (or its equivalent) or above.

C. The candidate should have at least three (3) years of experience participating regularly in a graduate program at Auburn or at another institution of higher education, or demonstrated in some other outstanding way her/his ability to direct graduate level research.

D. The candidate should have served on at least three (3) different students’ examining committees. These may be three (3) final master’s examinations or three (3) doctoral examinations (general or final) or combinations of these.

NOTE: In rare cases, where the candidate has established a significant scholarly record and demonstrated in some other outstanding way her/his ability to direct doctoral students, the Graduate Dean may approve a reduction in the requirements for C and/or D above. Such strongly justified, written request must be supported by a majority vote of the department’s Level 2 faculty and the department head.

E. The publication requirement for initial appointment will be satisfied typically by publication of three (3) research articles in reputable refereed journals. The publication requirement for reappointment will be satisfied typically by publication of three (3) research articles in reputable refereed journals during the current term of appointment. The nominee should be the senior author on at least one (1) of these three (3) publications. “Reputable refereed journals” are those identified as such by faculty in the nominee’s department of academic area. The research methodology in these articles should reflect methodology appropriate to the nominee’s field. The publication of a book or research monograph can satisfy this requirement completely or in part if it makes a scholarly contribution to the author’s field of specialization. Such publications must clearly demonstrate the author’s research competence. In those areas where publication is not customarily the end result of scholarly and creative activity, evidence of comparable achievement suitable for establishing professional standing must be presented.
F. The candidate should demonstrate other significant professional scholarly commitments. Evidence of other significant professional scholarly commitment involving any one or any combination of such activities as (a) presenting papers before learned and professional organizations, (b) writing book reviews, scientific and industrial reports, short notes, popular articles, or similar materials, (c) rendering any type of consulting service which provides evidence of the scholar’s professional standing and competence in his/her special field, (d) participating in the activities of appropriate scholarly scientific and professional organizations by holding offices or serving in other responsible capacities (e) performing significant administrative duties connected with the graduate program of a department or of the university, or (f) attainment of extramural support that is evidence of professional standing.

Reappointment Criteria

During the present term of appointment, the candidate shall have met the criteria and minimal standards outlined under section E and F of Initial Appointment Criteria.

Level 2A

Initial Appointment Criteria

Full-time administrators who originally held Level 2 membership are eligible.

Reappointment Criteria

Full-time administrators may continue as members of the graduate faculty without a vote by the Level 2 graduate faculty within the department and without having to satisfy the other usual Level 2 criteria. Administrators returning to full-time faculty assignments may retain their Level 2A membership for an additional 4 years to allow them time to restore their research, publication, and graduate teaching credentials to Level 2 reappointment requirements.

III. Term of Appointment

Level 0: The term of appointment shall be seven (7) years.

Level 1: The term of appointment shall be seven (7) years.

Level 2: The term of appointment shall be seven (7) years.

Level 2A: The term of appointment shall be a maximum of seven (7) years as long as the person remains a full-time administrator and may be retained for four (4) years after returning to full-time faculty assignment.
IV. Procedures for Nomination: Initial Appointment and Reappointment

Level 0: Procedures shall be the same as for Level 1; however, information supplied by the candidate shall be in the form of CV, which contains all pertinent information for ample review of credentials.

Level 1: The Department Head (Chair) shall nominate candidates for initial appointment or for reappointment. The nomination dossier should contain a copy of the nominee’s updated tenure and promotion document (as outlined in the Faculty Handbook, information to be supplied by candidate) or a current CV which contains equivalent material. The Department Head (Chair) shall also complete a standard nomination form which outlines the department’s criteria and standards and how the nominee has specifically met those criteria and standards. The Department Head (Chair) in signing the nomination form certifies the accuracy of information contained in the nomination package and that the procedures, criteria and standards contained within the approved departmental plan have been followed and met. The Department Head (Chair) will forward the nomination to the Graduate School for review and action by the Graduate Dean.

Level 2: Procedures shall be the same as for Level 1 with one additional exception. Prior to forwarding the nomination to the Graduate School, nomination materials shall be reviewed by all Level 2 graduate faculty members within the department. Following the review, the Department Head (Chair) shall call for a vote by all Level 2 graduate faculty by secret ballot relative to support or non-support of the nomination. Nominees shall have the support of a majority of the current Level 2 graduate faculty within the unit. The results of the vote as well as the number of Level 2 graduate faculty within the unit shall be transmitted with the nomination materials to the Graduate School for review and action by the Graduate Dean.

Level 2A: Procedures shall be the same as for Level 1. The candidate shall request nomination via the Department Head (Chair).
