

**Pacific Northwest University of Health Sciences  
Master Preceptor Fellowship**

**Curriculum**

<b>Course</b>	<b>Related Aims</b>	<b>Related Outcome</b>
MPF Topic 1: How to be a Physician Leader and Preceptor	Theory-based Teaching Modules	Leadership, education, and team-based integrated health care
MPF Topic 2: Project Design and Data Outcomes Measurement	Applying theoretical and evidence-based concepts to support the design of the community-based transformation project; Research versus quality improvement; community-based advisory committee	Health care transformation, education, quality improvement, population health, and social determinants of health
MPF Topic 3: Literature Review and Background	Articulating the problem by conducting a thorough background review of the community-based problem	Health care transformation, education, population health, and social determinants of health
MPF Topic 4: Collecting Meaningful Data via Electronic Health Record (EHR)	EHR documentation, databases, and data entry are important to enhance the delivery of health care to the patient and an opportunity to educate medical students through scribing. The result should be a rich learning environment where the medical student is learning by doing, and an opportunity to educate medical students through patient-care documentation	Leadership, team-based integrated health care, education, quality improvement, population health, social determinants of health
MPF Topic 5: Transformation Project	Preparing and implementing the transformation project	Health care transformation, education, quality improvement, population health, and social determinants of health
MPF Topic 6: Results and Community Impact	Connection between measurement scale, data summary techniques, relationships, ROC curves survival (time to event) analysis, hazard ratio, association vs causation, correlation, linear regression, confounding variables, and decision analysis	Health care transformation, education, quality improvement, population health, and social determinants of health
MPF Topic 7: Capstone Dissemination	A public presentation of the project results and a final academic Fellowship paper	Leadership, education, team-based integrated health care, quality improvement, population health, social determinants of health, and health policy
Certificate of Master Preceptor Fellowship Completion	Public recognition at PNWU graduation ceremony of Master Preceptor Fellows, their project title and primary mentor, community of impact, and HRSA support recognition	

## Academic Paper Components

The final Master Preceptor Fellowship Community Transformation Project manuscript must be either an academic paper or a publishable manuscript for a peer reviewed journal.

### Academic paper requirements:

- Title and Abstract
- Chapter 1: Introduction
- Chapter 2: Theoretical and Evidence Base to Support the Proposed Project
- Chapter 3: Description of Proposed Program
- Chapter 4: Evaluation Plan
- Chapter 5: Budget Plan to Actual Expenses
- Chapter 6: Dissemination Plan
- Chapter 7: Conclusion
- References
- Appendices (IRB approval letter, if applicable)
- Executive Summary
- Fact Sheet
- Curriculum Vitae

### Publishable manuscript requirements:

- Abstract
- Introduction
- Methods
- Results
- Discussion
- Conclusion
- References
- Addendum for budget if needed

## Milestones

**Payment.** In consideration for the Master Preceptor Fellowship funded by HRSA, PNWU will pay the Fellow's Employer a set stipend based on milestone completion.

	Milestone 1	Milestone 2	Milestone 3	Milestone 4
<b>Contract Milestones</b>	Complete all onboarding requirements.	Complete all modules and topics outlined in the Master Preceptor Fellowship course page and develop idea for capstone project.	Complete IRB application and all modules and topics outlined in the Master Preceptor Fellowship course page, upon approval stipend will be paid to help with any necessary project expenses to facilitate completion of capstone project.	Complete all modules and topics outlined in the Master Preceptor Fellowship course page. Complete capstone document and disseminate information to appropriate stakeholders.
<b>Milestone Completion Date</b>	30 days from effective date	150 Days from effective date	Upon completion of milestones 1 and 2	365 days from effective date
<b>Stipend</b>	\$15,000.00	\$10,000.00	\$5,000.00	\$10,000.00
