#Students with dependent children will automatically have dependent care assistance added to their budget and their federal student loan offer.

Some clinics may have additional requirements such as criminal background checks, drug screening, fingerprinting, etc. These costs are estimated between \$50-\$200 and are at the student's expense.

Additional expenses during the second year will include travel and living arrangements for the full-time clinic experiences during spring and summer semesters of the second year. This may include living expenses for out-of-the-area or out-of-state clinical experiences. If you need a budget increase for these expenses, please contact our office, finaid@pnwu.edu.
